TUESDAY TIDBITS

Greetings!

Welcome to Tuesday Tidbits from your team at Artistic Designs Group!

Here on the East Coast fall is in the air, our temperatures are dropping and we hear that parts of the country have had their first taste of snow. We are turning to thoughts of home and what we find warm cozy and comforting. My first thought was of warm and cuddly PETS. What comes to your mind?

If you are new to Tuesday Tidbits, we use this forum to share new art work, products and some of the "going on's" from the artists on our team. Sometimes we will share new collections hot off the press. Sometimes we will share new products just released onto the market. Sometimes, who knows???

SPEAKING OF WARM AND CUDDLY PETS....our friendly, comforting, entertaining companions. Are you a dog or cat person? What about fish, horses, what else do you and your customers have as pets?

HOT OFF THE DRAWING BOARDS! HIGHLIGHTS FROM OUR WONDERFUL TEAM'S RECENT WORK...

This week we showcase these recent additions: Joy Allen's Happy Birthday Chick, two wonderful new Mother's Day cards from Megan Dunagan, beautiful ranunculus from Claire Brocato, bright and fun primary color sd from Debi Payne, Michael Shelton' beautiful heron. As well as additions to Sharon Lee's Bohemian Seaside, Jennifer Wambach's warm cocoa mugs, Michael Shelton's Red Truck series, and Vicki Schreiner's fall. Christmas fun from Emma Leach and Steve Vanderbosch. In fact I have to share a story that Steve included with his new group :

"Now we all know Santa comes down the chimney all around the world and his sleigh is pulled by his reindeer, but what about those places in the world where the sleigh won't work because there isn't any snow...or the homes are too far apart.... so what does he do? It's a little-known fact that he

has been known to use a zip line to help get those gifts where they need to go. So here he is in the tropics zipping along delivering presents. :)"
