Crossroads

Source of All-

I am standing here:
at the crossroads of Being and Becoming,
my heart yearning for something I cannot name.

Allow me to sojourn into *s p a c i o u s n e s s*
and open to the blessing of this moment.

Grant me the courage to set forth
when I do not know
what path to take.

Guide me as I begin to explore new directions,
and help me embrace the love and the pain,
the hope and the joy that are part of my journey.

ZENSPIRATIONS®

As Hope Fades

—Joanne Fink, ©2021

Holy One, Source of Love and Light

We seek the comfort of believing that everything will be all right,
yet it's hard to hold on to hope in the face of insurmountable odds.

Quiet the fears that threaten to deafen us;
grant us Shleimut— the inner peace we so desperately seek.
Encourage us to pause and reflect
so we may reconnect with ourselves,
with our loved ones,
and especially with You,
Divine Creator of S P A C I O U S N E S S.

Enable us to look for blessings
even in tragic circumstances.
Allow us to grow closer to You
with every breath,
every heartbeat,
every prayer
and every tear.

Source of Goodness,
Shine Your healing light on us
and those we hold in our hearts
Shelter us, shield us, show us
the path to wholeness

Pinchas: Numbers 25:10-30:1

RISE ABOVE

*May we continue to find strength
as we shelter in the sanctuary of our homes*

*May we find purpose in hand washing,
mask wearing and relentless social distancing*

May we find joy in reaching out to others and building a virtual community

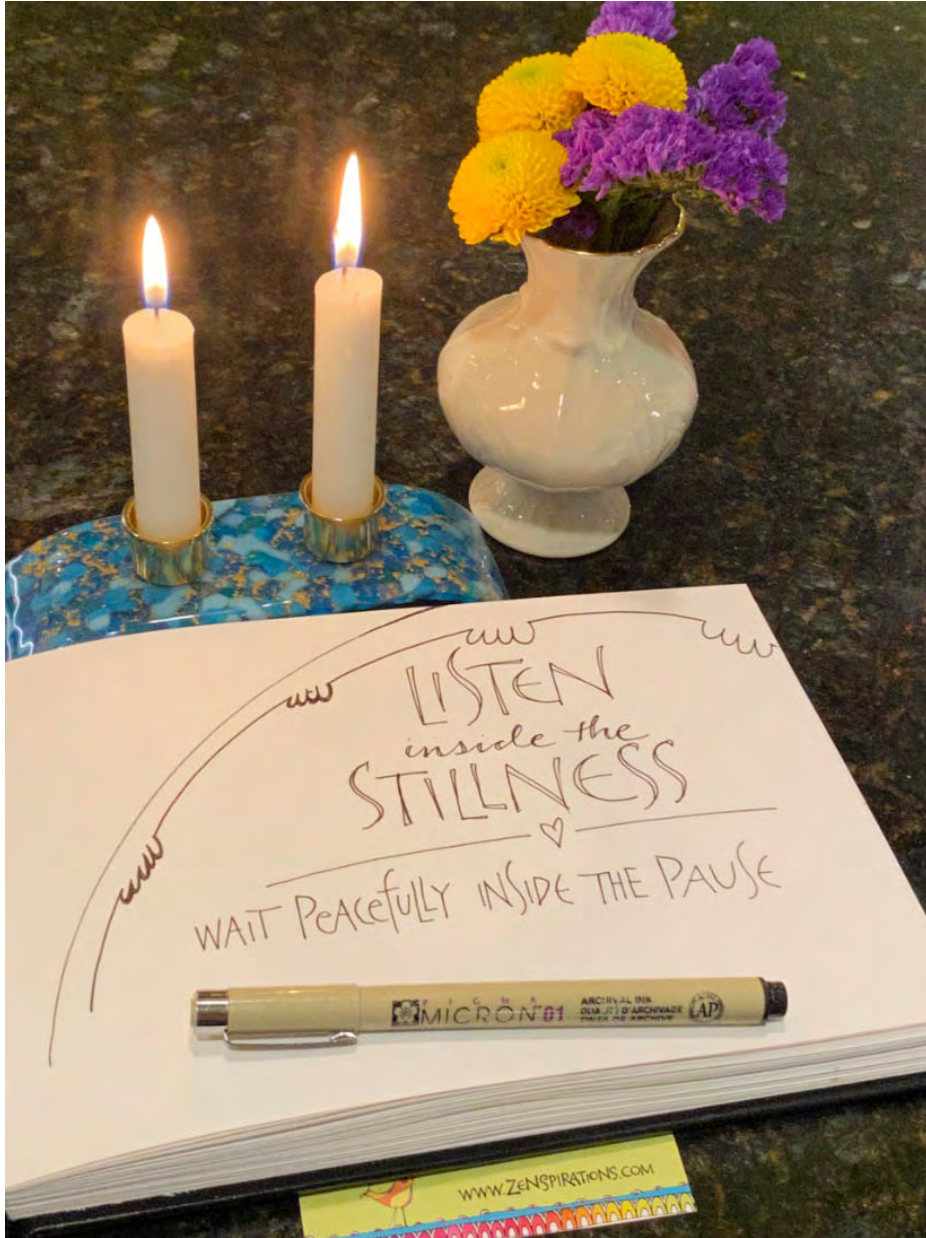

May we find peace in quiet moments and mindful breathing

May we find connection in virtual hugs video calls and personal bubbles

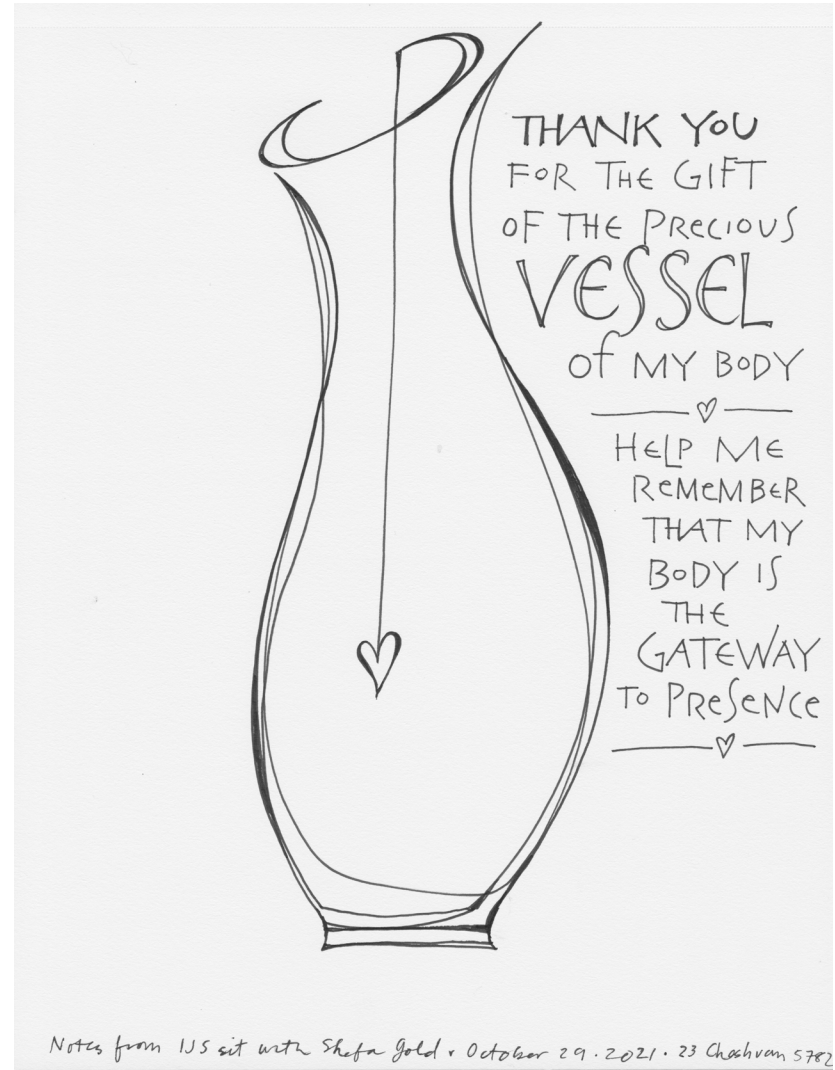

May we find hope in the knowledge that this is only temporary

MAY WE RISE ABOVE THE CHALLENGES OF THIS DAY!
